Antique Oak **Rustic Cabin Plank** Wide Plank Flooring Description

- **Species:** Mixed Red and White Oak
- **Source:** Original barn lumber
- **Heartwood:** can have unlimited sapwood, but overall there will be a good amount of heartwood.
- **Grain Density:** open and tight grain texture
- **Knots:** Sound and broken knots
- **Holes:** Scattered nail / spike holes which may have a dark ferrous stains, insect scarring and may also have larger bolt holes.
- **Cracks:** Many original stress and aging cracks
- **Face Character:** Some original saw marks, color variations, cracks, nail holes and other signs of previous use.
- **Color:** This cabin grade of Antique Oak has colors very similar to the standard Barn-board Oak flooring. Natural color variations including: light to medium brown and some reddish hues enhanced by the natural aging patina
- **Grain:** Mixed patterns
- **Milling:** Standard Tongue & Groove profile and squared ends
- **Size:** Thickness: ¾" Width: 3" - 10" Length: 1' - 10' (average length of these planks tend to run a good bit shorter than our other grade.)
- **M/C:** 8-10% or less
